Dear Parents ,

Thank you for the support which you have shown through out the year .It is your support through which school is able to function and meet the expectaions of the acadëmic year 2021-2022. We all are struggling due to pandemic but this pandemic should not become the hindrance for the students development.

We all know time never waits and it is passing. The age of the child will not remain the same with time. Learning age will pass and this will affect the life of students future.Children have to learn in this situation only.

According to New Education Policy a child has to take admission in nursery at the age of three. In urban area parents are taking admission but in rural students have not taken admission. Think what will happen to those children. We all need to work it out.

Now we are at the end of the academic sesssion 2021-22. The students have to move ahead in their lives . Thus the following upcoming time table needs to be followed.

1) Final exam begins on 23rd February 2022.

2) Stds. Nursery to 5 will get the answer sheets and questions on 21st and 22nd February 2022.

3) Stds. 6 to 9th will collect the answer sheets before 21st February as they come to pay fee.

4) Fee clearance must be done before 21st February2022. School will not consider it later.

5) Result day – 12th March2022.

6) Annual fee payment – 14 to 21st March.

7) New session will begin from 22nd March2022

8) All the students must have books, copies and other learning materials.

Hope all will co-operate for the same .So that we will able to continue the teaching learning process better way.
